Sir:

INFORMATION DISCLOSURE STATEMENT

Applicant submits herewith a listing of patents, publications or other information of which they are aware, which they believe may be material to the examination of the above-identified application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

The filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made (37 CFR §1.97(g)), an admission that the Information cited is, or is considered to be, material to patentability (37 CFR §1.97(h)), or that no other material information exists.

First Named Inventor David Hirst	Title Grid Stabilising System	Attorney Docket Number DHN/363/PC/US
-------------------------------------	----------------------------------	---

The enclosed references were identified in a Japanese Office Action on a corresponding application filed in Japan.

A copy of the Japanese Office Action, as well as the English translation, is supplied herewith.

The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13-25, at 25.

A list of each of the items, as well as the English translation, is supplied herewith on the attached PTO-1449. U.K. Patent Application No. GB 2080 640 A is the English equivalent of JP57-049332.

Respectfully Submitted,

David Hirst
